# 1. Fill in the blanks

Options: *wings, nests, stitches, brain, intends*

- (i) He **intends** to be an engineer in future.
- (ii) Education gives **wings** to our thought.
- (iii) CPU is the **brain** of computer.
- (iv) A tailor **stitches** clothes.
- (v) Birds make their **nests** in trees.

## 2. True (T) / False (F)

(i) The UNICEF World Report was released by Shabana Azmi → **F**

(ii) The Cock does not flap his wings → **F**

(iii) Kadam's action against the contractor was right → **T**

(iv) Education is the right of every child → **T**

(v) We celebrate Christmas on 30th November → **F**

### 3. Match the following

Column A → Column B

- (a) A carpenter → (iii) makes furniture
- (b) An electrician → (iv) does electric work
- (c) A cobbler → (v) repairs shoes
- (d) A chemist → (ii) sells medicines
- (e) A barber → (i) cuts hair

---

## 4. Short Answer (20–30 words)

**(a) What does the cock do after leaving his nest?**

After leaving his nest, the cock flaps his wings and crows loudly. He wakes people up early in the morning and moves around in search of food.

**(b) Why did the three animals refuse to help the hen?**

The three animals refused to help the hen because they were lazy and did not want to work. They avoided responsibility and left all the work to the hen.

## **5. Long Answer (about 50 words)**

**What is CPU? Why is it called the brain of computer?**

CPU (Central Processing Unit) is the main part of a computer that processes instructions and controls all activities. It performs calculations and manages data. It is called the brain of the computer because it controls all operations and makes decisions.

**OR**

**Write a short note on Holi:**

Holi is a popular festival of India known as the festival of colors. It is celebrated in March. People throw colors and water on each other, sing songs, and enjoy sweets. It spreads happiness, love, and unity among people.
